

Privacy Policy

The Institut Laue-Langevin provides the Mag2Pol app as a Free app. Thus it is provided by Institut Laue-Langevin at no cost and is intended for use as is.

This page is used to inform users regarding our policies with the collection, use, and disclosure of Personal Information if anyone decided to use our application.

Information Collection and Use

The application does not collect and use any private data of any kind. It only reads and process the scientific data provided by the user.

Log Data

No Log Data is produced that may include personal information such as your device Internet Protocol (“IP”) address, device name, operating system version, the configuration of the app when utilizing our application, and other statistics.

Cookies

Our application is not a website and thus it makes no use of cookies of any kind.

Service Providers

Our application makes no use and does not connect to any third-party companies or individuals.

Security

The application does not collect and use any private data of any kind.

Links to Other Sites

The application does not connect to external sites.

Children’s Privacy

The application is designed for scientists but none of its contents may harm a child in any way.

Changes to This Privacy Policy

We may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. This policy is effective as of 2020-11-16
